Mr. Samuel Weitheimer, President  
and Members of the Board of Directors  
Nursing Home Board of Allegany County, Inc.  
P. O. Box 664  
Cumberland, Maryland 21502

Gentlemen:

We have examined the financial statements of Lions Manor Nursing Home for the fiscal period ended June 30, 1970. Our examination was made in accordance with generally accepted auditing standards and accordingly included such tests of accounting records and such other procedures as we considered necessary in the circumstances.

We did not observe a physical count of food inventory at June 30, 1970 nor did we confirm accounts receivable at that date. However, we did employ other tests of these items to the extent necessary in order to assure ourselves of the reliability of the accounts.

In our opinion, the accompanying Statement of Financial Condition and Statement of Operations and Related schedules present fairly the financial position of Lions Manor Nursing Home at June 30, 1970 and the results of its operations for the six and one-third months then ended, in conformity with generally accepted accounting principles. Since June 30, 1970 is the close of the first fiscal year for Lions Manor Nursing Home, we cannot express an opinion on consistency with prior years.

Respectfully submitted,

*Lowell M. Sowers, Jr.*

Notes to Financial Statements

at June 30, 1970

Note 1 - INVENTORY

A physical inventory of food was not made at June 30, 1970. We, therefore, determined that a base inventory necessary to maintain the dietary department would approximate \$300.00.

Note 2 - LAND

The land occupied by the facility is leased from the Sacred Heart Hospital of the Sisters of Charity, Incorporated, on a ninety-nine year lease expiring on October 31, 2066 at a cost of \$1.00 per year. The agreement carries a renewal agreement at the option of the Nursing Home Board of Allegany County.

Note 3 - MINOR EQUIPMENT

Minor equipment consists of linens, dietary equipment such as silverware, dishes, pots, pans, etc., which can be expected to be replaced in part frequently. The amount originally expended for such items is therefore set up as non-depreciable assets. As replacements are made, the cost thereof is charged to current operating expense.

Note 4 - OTHER ASSETS

Other assets consist of expenses other than construction type incurred during the construction period and prior to the formal opening of the facility on December 22, 1969. These expenses are being amortized over a three year period.

Note 5 - REFUNDS PAYABLE AND ACCOUNTS RECEIVABLE

Applications made to Medicare on certain patients were originally turned down. At a later date, Medicare reconsidered the applications and extended coverage. In the interim, however, the patient and/or Medicaid paid the daily care charges. In instances where this happened, the Nursing Home is obligated to refund to either Medicaid or the patient the full amount received less any amounts applicable to coinsurance.

Schedule 1 shows the amount due to or due from the patient, Medicaid, or Medicare.

MULTI-MEDIA ASSOCIATES II  
LIMITED PARTNERSHIP AGREEMENT

THIS LIMITED PARTNERSHIP AGREEMENT is made by and between the General Partner and the undersigned Limited Partners, whereby, in consideration of the mutual promises of the parties hereto, and for other good and valuable consideration, the parties hereto agree as follows:

I. FORMATION AND NAME.

The parties do hereby form a Limited Partnership under the name Multi-Media Associates II in accordance with the provisions of the Virginia Limited Partnership Act (Code Section 50 44, et seq.)

II. CHARACTER OF BUSINESS.

The partnership shall apply to the Federal Communications Commission for a license to operate radio station WUOK in Cumberland, Maryland.

III. PRINCIPAL PLACE OF BUSINESS.

The principal place of business of the Partnership in Virginia is 931 Saigon Road, McLean, Virginia, the office of the Partnership accountant, Robert W. Pitts. The principal place of business in Cumberland, Maryland is the office of the radio station, 134 North Mechanic Street.

IV. NAME AND RESIDENCES OF PARTNERS.

The General Partner is James R. Reese who resides at 442 Locust Road, Bridgeport, West Virginia. The names and addresses of the Limited Partners are set forth in Paragraph VI below.

*Liber 91 Page 92*

V. TERM:

The Partnership shall begin on the 15th day of February, 1971, and shall continue in perpetual existence thereafter unless terminated as hereinafter provided.

VI. PARTNERS' CONTRIBUTIONS:

The General Partner will contribute his interest in the contract which has been negotiated for the acquisition of the radio station, together with the services which he has rendered in organizing the said Partnership, and in consideration thereof the General Partner will receive a 23.5 participation interest in the Partnership. The original Limited Partners, Robert W. Pitts of 931 Saigon Road, McLean, Virginia, George E. Cranwell of 5900 North 5th Street, Arlington, Virginia and John H. Mulliken, Jr., of 4822 Woodway Lane, N.W. Washington, D.C. will contribute their interest in the contract which has been negotiated for the acquisition of the radio station, and the sum of \$10.00 each and in consideration thereof Robert W. Pitts shall receive an 11.75% participation interest, George E. Cranwell shall receive an 11.75% participation interest and John H. Mulliken, Jr. shall receive a 3% participation interest. The General Partner's participation interest and the Original Limited Partners' participation interests will be subordinated to that of the Additional Limited Partners to the extent that the General Partner and the Original Limited Partners will receive no return upon any sale or liquidation of the Partnership until such time as the Additional Limited Partners shall each have received a complete return of their respective cash

*Liber-91 Page-93*

contributions either in the form of periodic payments or any other distributions.

The Additional Limited Partners will contribute all the capital required to bring the Partnership into being and to allow the Partnership to operate until such time as normal business revenues are sufficient to cover all Partnership expenses. Attached hereto, as Enclosure 1, is an itemized breakdown of the capital requirements estimated by the General Partner; it is understood and agreed that the individual line items have been carefully estimated on the basis of information currently available, but that said items are, of necessity, only estimates, and are subject to revision contingent upon actual experience. Each of the Partners hereby acknowledges that his scheduled total cash contribution has been calculated on the assumption that the aforesaid estimates will be substantially accurate; should it ever become evident to the General Partner that the estimated capital requirements will not be sufficient to cover the expenses of the Partnership until such time as normal business incomes will prove sufficient for that purpose the General Partner shall schedule a meeting of the Limited Partners in order that the then existing situation may be reviewed and a decision may be made, by majority vote, of the manner in which the Partnership should proceed. Each of the Additional Limited Partners hereby acknowledges his understanding that the other Additional Limited Partners are relying upon his individual commitment as a consideration for their respective commitments and that each is relying upon him to meet his contribution commitments in a timely manner. Should any Additional Limited Partner fail to meet an individual commitment date it is understood and agreed that the General Partner will be authorized to offer

*Liber-91 Page-94*

the defaulting Additional Limited Partner's participation interest to one or more of the other Additional Limited Partners or to a third party, in either of which event the defaulting Partner agrees to transfer his scheduled participation interest to said substitute for a cash payment calculated at 80% of his total cash contributions to date as of the date of his default.

Set forth below are the names and addresses of the Additional Limited Partners, together with a schedule indicating their respective total contribution commitments, the date on which each contribution is due, and the respective participation interest which each Additional Limited Partner is receiving in consideration thereof. Each Additional Limited Partner's signature on the final page hereof will constitute a firm commitment to meet the contribution schedule set forth below (i.e. the next following page). Should it ever become necessary to substitute Additional Limited Partners or to add Additional Limited Partners the names, addresses and respective total contribution commitments and the date on which each contribution is due shall be set forth in an amendment to the following page in accordance with the other provisions of this document.

VII. ADDITIONAL CONTRIBUTIONS:

It is anticipated that the station will generate sufficient income to cover operating expenses. Should the income ever fail to cover the operating expenses the Additional Limited Partners would, by virtue of this provision, make additional contributions on a pro rata basis in accordance with their respective Partnership participations to cover the total monthly deficit. Should such an additional contribution ever become necessary each Additional Limited Partner would receive a Partnership Note, secured by a security interest in the Partnership assets, payable 18 months from the date thereof, in a single cash payment, together with interest at the rate of 6% on the unpaid balance, said Note to be in the principal amount of the Additional Limited Partners respective additional contribution. This provision shall never operate to increase any Additional Limited Partner's liability beyond the amount of his original contribution and the expenses which may be required in any given month to cover the type of deficit anticipated hereby. Should substantial additional contributions ever become desirable, for expansion purposes or otherwise, the subject will be submitted to the Additional Limited Partners for a vote, and should a majority of the Additional Limited Partners approve the desirability of additional contributions, such additional contributions shall be sought from the sale of additional limited Partnership participations, in which event the additional participation interests shall first be offered to the existing Additional Limited Partners, on a pro rata basis, in accordance with their original contributions. Should any Additional Limited Partner be unable or unwilling to contribute the additional pro rata amount approved by a majority vote of the Additional Limited Partners, the General Partner will offer the additional participation interests to third parties, with the understanding that an amended Additional Limited

*Liber 91 Page - 98*

Partnership participation schedule shall be adopted, again by a majority vote of the Additional Limited Partners, on a pro rata basis, to effect an equitable readjustment of the Additional Limited Partnership participations among the total number of Additional Limited Partners in existence after the sale of additional Additional Limited Partnership participations.

VIII. TIME OF RETURN OF CONTRIBUTIONS:

It is agreed that individual contributions shall be returned in accordance with the provisions of Paragraph IX below.

IX. DISTRIBUTION OF PROFITS AND RETURN OF CAPITAL:

It is anticipated that profits and a return of capital will result from periodic income distributions. At the end of each tax year the General Partner will calculate the net income available for distribution to the Partners by subtracting from the gross income the operating expenses and reasonable allocations for reserves. The distributable net income will be divided between the Partners in accordance with their respective participation interests and forwarded to individual Partners within thirty days following the close of the tax year. Should it appear to the General Partner that there is available for distribution substantial net income during the tax year the General Partner may, in his discretion, make quarterly distributions of income to the Partners. In the event of a sale of the Partnership assets a net profit figure will be calculated by the General Partner by subtracting from the gross sales price all selling expenses and the resulting net profit will be divided between the Partners in accordance with their respective participation interests, said distribution to be forwarded to each Partner within thirty days following the consummation of any such sale. 100% of the depreciation benefits for the first two tax years will be divided between the Additional Limited Partners on a ratio dependent upon their relative participation interests; for each subsequent

*Liber-91 Rec-99*

tax year depreciation benefits will be divided between all Partners in accordance with their respective participation interests.

X. ASSIGNMENT OF PARTNERSHIP INTERESTS:

No Limited Partner shall have the right to assign his Limited Partnership interest without the express written consent of the General Partner, which said consent shall not be unreasonably withheld by the General Partner provided said transfer will not operate to jeopardize the rights of the other Partners. Each Limited Partner hereby acknowledges that he is acquiring his Partnership interest as a long-term personal investment with no intent to transfer the same in whole or in part to any third parties or to the general public, but rather that he intends to hold the same for whatever periodic income and depreciation allowances may be available and the possibility of a long-term capital gain. Each Limited Partner hereby acknowledges his understanding that the proposed venture is speculative in nature and represents to the other Limited Partners that his personal net worth will enable him to hold his participation interest until such time as a sale of the Partnership assets is determined to be in the best interests of the other Limited Partners.

XI. ADDITIONAL PARTNERS:

Additional Partners may be added in accordance with the procedure set forth in Paragraph VII above.

XII. PRIORITY:

No Partner shall have priority with regard to the return of capital contributions or distribution of net receipts, provided, however, that the participation interests of the General Partner and the Original Limited Partners will be subordinated as set forth in Paragraph VI above.

XIII. DEATH OF PARTNERS:

(a) The death of any Limited Partner shall not dissolve the Partnership nor terminate the Partnership business. It is agreed rather that upon the death of a Limited Partner his executor, administrator or other personal representative

*Liber-91 Rec-100*

representing the estate of the deceased Limited Partner shall have all the rights and shall be liable for the resulting obligations of the deceased Limited Partner.

(b) Should the General Partner die, become incapacitated or for any reason be required to cease to operate as the General Partner, the Limited Partnership shall be dissolved. In that event, however, it is agreed that the Partnership attorney, George E. Cranwell, shall immediately assume the responsibilities of the General Partner in order that the Partnership may be terminated in a timely but profitable manner. It is further agreed, however, that the said George E. Cranwell shall have the right to form a new Limited Partnership to conduct the business of the old Limited Partnership on substantially the same terms and conditions and that the Limited Partners shall have respective participation interests in the new Limited Partnership in accordance with the participation interests which they held in the old Limited Partnership.

XIV. RETURN:

It is agreed that no Partner shall have a right to demand any return other than that set forth in Paragraph IX above.

XV. MANAGEMENT:

The General Partner shall be solely responsible for the management of the Partnership business. No Limited Partner will be authorized or requested to take part in the control of the said business in order that each Limited Partner may preserve his status as a Limited Partner with limited liability. The General Partner agrees, however, to keep the Limited Partners well-advised with regard to the conduct of the Partnership business and to provide the Limited Partners with sufficient advance notice of any contemplated sale of all or a part of the Partnership assets or of any significant proposed change in the conduct of the Partnership business. The Limited Partners shall have the right on any

*Liber- 91 Rec-101*

such occasion to express their approval or disapproval of the action proposed by the General Partner and should the Limited Partners express their approval of the proposed action the General Partner will be considered to have acted in the best interests of the Partnership in proceeding with such action.

XVI. PARTNERSHIP BOOKS AND ACCOUNTING:

The General Partner shall maintain Partnership books at the principal place of business of the Partnership and said books will be open to inspection at all times to any Limited Partner, upon reasonable request. The General Partner shall cause a detailed accounting to be made of the Partnership books by a Certified Public Accountant on or before the last day of each tax year, which said accountings shall be made available to the Limited Partners. In addition the General Partner shall make such interim accountings and reports to the Limited Partners as may be reasonably required to keep the Limited Partners fully informed. The General Partner shall authorize the same Certified Public Accountant to prepare a Partnership return for filing with the appropriate government agencies and each Limited Partner will be provided with a copy of the Partnership return in order that the results thereof may be included in his personal income tax returns.

XVII. BANKING:

For the purpose of bringing the Partnership into being a checking account will be opened in the American Bank, Rosslyn Branch, 1117 North 19th Street, Arlington, Virginia, and checks thereon may be signed by the Partnership attorney, George E. Cranwell. The General Partner is authorized to open such additional accounts in banks in Cumberland, Maryland as may, in his opinion, be required to carry on the Partnership business. The General Partner is authorized to cause Partnership checks to be signed in his own name and/or by such other individuals as he may designate in writing.

*Liber- 91 Rec-102*

Upon request, any Limited Partner will be advised of the location and specific number of all such accounts and provided with information concerning any said account.

XVIII. POWER OF ATTORNEY:

Each of the Limited Partners irrevocably constitutes and appoints the General Partner his true and lawful attorney to: (a) make, execute, acknowledge and file Limited Partnership certificates in any State in which they may be required; (b) prepare and file on behalf of the Partnership a formal application and all other documents which may be required by the Federal Communications Commission in connection with the securing of the desired assignment of the radio station license; (c) make any contracts, deeds, deeds of trust or other mortgage documents, leases, etc., in connection with the acquisition or disposition of real property in the execution of the Partnership business as previously described herein; (d) prepare, make, execute and acknowledge all documents which may be required to effectuate the formation, operation and dissolution of the Partnership.

XIX. INDEMNIFICATION PROVISION:

The General Partner, and any individuals authorized by the General Partner to represent the Partnership in a professional or executive capacity, shall be indemnified by the Partnership, from available Partnership funds, for any expenses actually and necessarily incurred in connection with the defense of any action, suit or proceeding in which any such individual may be made a party by reason of being or having represented the Partnership, provided, however, that such individual shall not be adjudged in such action, suit or proceeding to have been liable for gross negligence or wilful misconduct in the performance of a Partnership duty, and in consideration of this provision the General Partner hereby represents to the Limited Partners that he will engage in no other business activities which could reasonably be construed to constitute a conflict of interest with the Partnership business.

*Liber-91 Page-103*

XX. EXECUTIVE AND PROFESSIONAL SERVICES:

The General Partner is hereby authorized to secure the assistance of executive assistants and such professionals as may, in his discretion, be required to properly execute his duties as General Partner. It is anticipated that Robert W. Pitts will provide professional services as a Certified Public Accountant, and that George E. Cranwell will provide professional services as the Partnership attorney. The rendering of said services will not operate to affect their status as Limited Partners in the Partnership; provided, however, that no professional fees other than those allocated in Enclosure I hereto will be paid to said individuals by the Partnership during the initial year of Partnership operations and that in subsequent years any professional fees paid to said individuals will be in accordance with applicable professional minimum fee schedules on a basis of services actually rendered.

XXI. NOTICE TO CREDITORS AND THIRD PARTIES:

Creditors and third parties are hereby advised that the Limited Partners have joined herein with the understanding that their liability for any Partnership activities will be strictly limited to the amount of their actual cash contributions as set forth in Paragraph VI, and that they shall not be subject to any additional contributions by reason of claims of any creditors or third parties. Any provision of this Agreement which shall to any extent be held to be inconsistent or in conflict with the limited liability status of a Limited Partner shall be considered severable and the provisions of this Agreement, affording limited liability status, shall be valid and enforced to the fullest extent permitted by law or equity.

XXII. NOTICES TO PARTNERS:

All notices to the Partners will be considered properly delivered at such time as they are placed in the United States mail addressed to the Partner at the last address which he has provided to the General Partner.

*Liber-91 Page-104*

XXIII. APPLICABLE LAW AND ARBITRATION:

It is understood and agreed that any disputes or conflicts arising under the provisions of this Agreement shall be governed by the laws of Virginia and that to the maximum extent possible any such disputes shall be resolved by an arbitration procedure.

XXIV. FEDERAL COMMUNICATIONS COMMISSION APPROVAL:

No acts permitted or required to be done under the provisions of this Limited Partnership Agreement shall be effected without first obtaining the consent of the Federal Communications Commission if required.

XXV. FORM OF THE AGREEMENT:

The General Partner shall maintain in the Partnership files the original of this Partnership document. True copies of the Partnership document will be distributed to each Limited Partner and each said true copy when signed by the General Partner shall be considered a duplicate original. Each Limited Partner shall be requested to place his notarized signature on a duplicate original of the last page of the document and each said signature page shall be attached to the original to constitute a complete original Agreement.

Mr. Richard C. Beaman, Chairman

Lions Manor Nursing Home  
Seton Drive, P.O. Box 1090  
Cumberland, Maryland 21502

Gentlemen:

We have examined the Statement of Financial Condition of Lions Manor Nursing Home at June 30, 1971 and the accompanying Statement of Operations for the fiscal year then ended. Our examination was by nature a verification of accounting transactions on a monthly basis. The monthly results were computerized into monthly financial statements which were audited throughout the year. Therefore, the attached financial statements represents summation of the twelve audited monthly periods, with final verification of June 30, 1971 balances.

Cash and Escrow Funds

All cash and escrow funds were either counted and reconciled or reconciled to bank statements with particular attention paid to subsequent statements and cut off of outstanding checks.

Receivables

All accounts receivable were verified to the individual patients records and to subsequent payment thereof. However, in the case of Medicaid it would be impossible to determine the actual discount so the balances were stated prior to discount. The Medicare current receivable was verified to subsequent payments and the reimbursement receivable was computed by our staff. There could be slight adjustments to this figure subject to audit change by the intermediary. The pledges receivables were examined in detail and those which were non-collectable were written off through donated capital.

Inventory and Prepaid Expense

The food inventory was not checked because of the immateriality of the amount and the constant level of food on hand. The prepaid expenses figure on the other hand was verified in detail to the control sheets maintained by our staff.

Liber-91 PAGE-109

Mr. Richard C. Beaman, Chairman  
and Members of the Board of Directors  
October 12, 1971  
Page 2

Fixed Assets

The fixed asset figures were, for the most part, examined in detail during the course of the prior years audits. However, any additions incurring during the course of the year were examined in complete detail.

Other Assets

The other asset accounts, denoted as pre-operating and organization expense and construction insurance were verified in previous audits and the amortization was verified to our detail amortization schedules.

Current Liabilities

The current liability balances were verified as follows:

The accounts and insurance payable and the balances due to physicians, Sowers and Dorman, architects and contractors were verified directly to invoices and subsequent paid statements when applicable.

The accrued payroll and related payroll taxes were verified to the subsequent weeks payroll and to payroll tax returns filed with government agencies. Payroll and the related tax controls are maintained throughout the year.

The notes payable to the First National Bank of Western Maryland was verified to the notes and tied into the interest.

Equity

The donated capital account was verified in prior years but any additions that were made were verified in complete detail. The beginning surplus figure represents the results of the first fiscal closing but any adjustments made were listed as Medicare adjustments. Since last year's closing involved the first filing with Medicare, the uncertainty of the figure resulted in our eliminating it from the year end audit figures. Therefore, the net adjustment totaling \$30,222.04 represents the Medicare reimbursement, adjustments made to depreciation as a result of the intermediaries audit and the donation of services by the Braddock Medical Group.

It should be noted that in July, 1971 \$39,592.71 was received as the final close-out of Federal and State funds. This amount was not included in the statements because of the possibility of confusing the Medicare reimbursement. However, they were picked up in the 1972 fiscal year and closed to donated surplus. These funds were utilized in reducing the balance due to contractors, architects, and general working capital funds.

As a result of the continuous and detailed audit procedures utilized by our firm throughout the fiscal year, I can state that the Statements of Financial Condition of Lions Manor Nursing Home at June 30, 1971 and the related Statement of Operations for the year ended subject to comments above are materially correct and the accounting procedures reflected herein have been applied on a basis consistent with prior years.

Respectfully submitted,
